Dear Ms. Mohlenhoff: (reissued letter)

The Division of Equal Opportunity has completed its review of your firm's application for certification as a **Women Business Enterprise, WBE**, and has determined that your firm is hereby certified with the City of Indianapolis as a **WBE, Supplier/Distributor: Janitorial and Industrial Supplies**. This certification is issued pursuant to the City Minority & Women Business Utilization Plan, part B.

This certification is valid until September 30, 2009, but is subject to revocation if changes in the ownership and/or managerial/operational control of the firm occur, or if just cause is determined through established investigative procedures. WBE firms must inform DEO, in the form of a sworn affidavit, of any changes affecting the ability of the firm or its owners to meet disadvantaged status, ownership, or control requirements of the City Minority & Women Business Utilization Plan, part B. That affidavit must be received within thirty (30) days of the change.

Additionally, WBE firms must provide DEO, every year on the anniversary date of their certification, a sworn affidavit from the firm's owner(s), to affirm that there have been no changes affecting the ability of the firm or its owners to meet disadvantaged status, ownership or control requirements of the City Minority & Women Business Utilization Plan, part B. Such an affidavit form will be mailed to your firm approximately sixty (60) days prior to its anniversary date.

This certification is not necessarily accepted by other States or Agencies and does not verify the ability of your firm to perform the types of work you may indicate.

Enclosed, you will find information and forms for being added to the City of Indianapolis/Marion County Vendor's Mailing List. For further information about this matter, contact the Central Purchasing Division, Room 1522, City-County Building, (317)327-4900.

Sincerely,
